**God Is Your Defender**
Rosie Rivera
2021-06-08
Businesswoman, television personality, and survivor
Rosie Rivera shares how to lean on God as defender in the midst of life’s hurts and wounds while also grappling with the strong desire for justice and retaliation. Revenge is one of our deepest instincts. When we have been hurt or when something has been stolen from us, whether that be our innocence or our good name or a loved one, the desire to retaliate is irresistible. But is it the right response of a follower of Jesus? As a survivor herself, Rosie Rivera has walked in this tension, a sojourner in the search for healing and wholeness in the light of horrific wrongs. She has wrestled the desire to defend herself, her reputation, and her family while also wanting to let God be her Defender. God Is Your Defender is about understanding the motives behind your thoughts and behaviors toward those who have wronged you. It is about the conditions you might have put on forgiveness. It is about fighting the urge to take over instead of trusting God. It is about learning how to truly rest in the Lord as the One who defends you and actively abiding in his peace. Backed by biblical examples and personal stories, Rosie guides you to a place of healing as you: Learn the difference between a vengeful spirit and a heart of advocacy Stop the self-destructive cycle of the desire for revenge Discern effectively when to take a righteous stand and when to stand back and let God defend you Experience how to move from an “eye for an eye” mentality to an “I for an I” by exchanging “I am hurt” for “I am healing” Let go of the pain of the past without ignoring what happened God Is Your Defender equips you to respond to hurtful situations, from the most minor to some of the most difficult, from a place of empowerment and peace.

**A Walk Through the Dark**
Eva Piper
2013-08-06
One day Eva Piper was an elementary school teacher, the mother of three, the beloved wife of a strong, protective husband. The next day she stood at the bedside of a broken man who could do nothing but moan in agony and turn his head away from her. Later she would learn that he had died and actually experienced heaven before being prayed back to life—a true miracle. Don Piper’s testimony, told in the New York Times bestseller 90 Minutes in Heaven, would one day bring hope to thousands. But all that was in the future. Despite family and friends who kept vigil with her, Eva Piper found herself essentially alone. Walking in the dark. And she had always hated the dark. Though it parallels that of her husband, Eva Piper’s account is quite different from his. It takes readers not to heavenly places but through a very earthly maze of hospital corridors, insurance forms, tiring commutes from home to workplace and hospital, and lonely hours of waiting and worrying. This is the story of a woman learning, step by darkened step, to go places she never thought she could go and growing into a person she never thought she could be. Packed with hard-earned wisdom about what it means to be a caregiver, to open yourself to the care of others, and to rest in God’s provision, this bookprovides a dependable source of light to help you walk through the dark.

**Anteparadise, A Bilingual Edition**
Raul Zurita
1986-08-08
Here is a major work by a Chilean poet thought by many to be the most brilliant and important new voice in the Spanish language. In its first American edition, this poetry is presented in Spanish and English, so that readers of both languages may listed to Zurita’s voice. Anteparadise can be read as a creative response, an act of resistance by a young artist to the violence and suffering during and after the 1973 coup that toppled the democratically elected Allende government. Zurita thus follows the example of several Latin American pets such as the Peruvian César Vallejo and Chilean Nobel laureate Pablo Neruda, sharing their passion and urgency, but his voice is unique.

**Nineteen Eighty-Four**
George Orwell
2021-01-09
"Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell’s ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

**I, Rigoberta Menchu**
Rigoberta Menchu
2010-01-12
Now a global bestseller, the remarkable life of Rigoberta Menchú, a Guatemalan peasant woman, reflects on the experiences common to many Indian communities in Latin America. Menchú suffered gross injustice and hardship in her early life: her brother, father and mother were murdered by the Guatemalan military. She learned Spanish and turned to catechistic work as an expression of political revolt as well as religious commitment. Menchú vividly conveys the traditional beliefs of her community and her personal response to feminist and socialist ideas. Above all, these pages are illuminated by the enduring courage and passionate sense of justice of an extraordinary woman.

**Atonement**
Ian McEwan
2009-03-19
From the Booker Prize winning author of Amsterdam, a brilliant new novel. On the hottest day of the summer of 1935, thirteen-year-old Briony Tallis sees her sister Cecilia strip off her clothes and plunge into the fountain in the garden of their country house. Watching her is Robbie Turner, son of the Tallis’s cleaning lady, whose education has been subsidized by Cecilia’s and Briony’s father, and who, like Cecilia, has recently come down from Cambridge. By day’s end, their lives will be changed - irrevocably. Robbie and Cecilia will have crossed a boundary they had not imagined at its start. And Briony will have witnessed mysteries, seen an unspeakable word, and committed a crime for which she will spend the rest of her life trying to atone... Brilliant and utterly enthralling in its depiction of love and war and class and childhood and England, An Atonement is a profound - and profoundly moving - exploration of shame and forgiveness, of atonement and of the possibility of absolution.

**The One-Cent Magenta**
James Barron
2017-03-07
An inside look at the obsessive, secretive, and often bizarre world of high-profile stamp collecting, told through the journey of the world’s most sought-after stamp. When it was issued in 1856, it cost a penny. In 2014, the one-cent magenta sold at Sotheby’s for nearly \$9.5 million, the most money ever paid for a stamp at auction. Following the journey of this highly coveted item, we meet a fascinating gallery of eccentric, rich, and influential characters who have bought, owned, and sold this tiny square of faded red paper. One-cent magentas were provisional stamps, printed in what was British Guiana when a shipment of official stamps failed to arrive. Most were thrown out with the newspapers. But one stamp survived. The singular one-cent magenta has had only nine owners since a twelve-year-old boy discovered it in 1873. He soon sold it—in what many call the worst stamp deal in history—for what would be \$17 today. Among later owners was a wealthy Frenchman who hid the stamp from everyone, including King George V; a businessman who traveled with the stamp in a briefcase handcuffed to his wrist; and John E. du Pont, an heir to the chemical fortune, who died in prison after murdering Olympic wrestler Dave Schultz. Together, their stories form a peculiar global history of immense wealth and obsessive desire.

History is forged through the travel of ideas across continents—as well as by bombs. The Age of Globalization is an account of the unlikely connections that made up late nineteenth-century politics and culture, and in particular between militant anarchists in Europe and the Americas, and anti-imperialist uprisings in Cuba, China and Japan. Considered by his peers then and now as "The Prince of Preachers", Charles Spurgeon built London’s Metropolitan Tabernacle into the world’s largest independent congregation during the nineteenth century. While many factors have been highlighted that help explain the effectiveness of Spurgeon’s preaching, the foremost secret that empowered Charles Spurgeon was his devotion to prayer. When people would walk through the Metropolitan Tabernacle, Spurgeon would take them to the basement prayer room where people were always on their knees interceding for the church. Then Spurgeon would declare, "Here is the powerhouse of this church. That statement is believed by the amazing number of sermons that Spurgeon preached on prayer. Spurgeon was a great believer and teacher in passionate, Holy Spirit-directed prayer. His word pictures of the majestic throne of grace that God calls believers to be privileged to come before is well worth the price of the book alone.
