*The Assassination of Michael Collins* S. M. Sigerson 2013-11-15 Non-fiction Biography / history Ireland - War of Independence/Civil War  
Description: An in-depth study of the death of Michael Collins, hero of the 1916 Easter Rising, and leader of Ireland's War of Independence. This book offers a startling new perspective on one of history's most notorious unsolved mysteries: his fatal shooting in 1922, while Commander-in-Chief of newly-independent Ireland. Its controversial reconstruction of events at Beal na mBlath may be shocking to some: yet demonstrably fits the known facts and eyewitness accounts. This is the first book on this famous "cold case" in decades; carrying on where John Feehan's landmark edition of 1991 left off. It presents the most complete overview of the evidence ever published; as well as an itemized catalogue of the various witnesses' mutual contradictions and corroborations."

**Small Ball** Don Geidel 2016-09-11 September 11th, 2001 was America's wake up call to terrorism. Unfortunately, we hit the snooze alarm. The next

wave of terror attacks won't be nation shaking, cataclysmic events. We're ready for that. Instead, they'll be minor, localized nightmares. Mere pinpricks to our country, but catastrophic to the small towns that find themselves in the crosshairs. Worst of all, there's nothing we can do to stop it from happening - or is there? A gritty novel extrapolated from real world events, this fast-paced, riveting thriller will leave you alarmed, angry, and awestruck at America's unpreparedness for the next wave of terror attacks. Some might refer to it as death by a thousand cuts, but the counterterrorism community calls it Small Ball. Small Ball is an indictment of our woefully wrongheaded security infrastructure and a testament to the resilience, resourcefulness, and integrity of the average American. You'll wonder why it hasn't happened already. Perhaps it's happening right now...

**More Than a Game** Mark Collins 2016-05-04 Here is a description of "More Than A Game" in the words of the protagonist, Carter Mason: I know what I look like: a stereotype; a fatherless black kid pinning his hopes on a football scholarship. But I've got the skills and the smarts to back it up. One night, and an innocent dance with a white girl, and my whole world and all my dreams start to unravel. The killing begins. People are looking at me. And the circle of people I can trust is getting smaller by the day. I can feel the net closing in. I have to find the killer before he finds me. I

have to play the best football of my life. I have to stay alive long enough to get a ticket out of hell.

**Assassins of the Turquoise Palace** Roya Hakakian 2011-09-06 A New York Times Notable Book. “A rumination on the Islamic Republic’s culture of terror . . . [A] captivating narrative” (PBS). On the evening of September 17, 1992, eight leading members of the Iranian and Kurdish opposition had gathered at a little-known restaurant in Berlin when two darkly-clad men burst through the entrance. Within moments, the roar of a machine gun filled the air. Two rounds of fire and four single shots later, four of the men were dead. One of the survivors of that shooting, along with the widow of one of the victims and a handful of reporters, attorneys, and fellow exiles, began a crusade that would not only pit them against Tehran but against some of the greatest powers in Germany. When an undeterred federal prosecutor and an endlessly patient chief judge took over the case, a historic verdict followed that shook both Europe and Iran, and achieved something few could have predicted—justice. “This is a brilliant, riveting book, with all the elements of a great thriller—a horrific crime, sociopathic villains, international intrigue, personal betrayals, a noble prosecutor and an honorable judge. And it is all too real: with remarkably comprehensive reporting and brisk, smart writing, Roya Hakakian has told a great story but, more important, she has made plain the lethal immorality at the heart

of Iran’s regime” —Joe Klein, Time Magazine

**Rise Above Now** Shawn Johnson 2016-03-16 Have you ever questioned life and wonder why you? Can you hear yourself saying, "Is there more to life than this?" I can identify this with you. Did you know? Our brain process approximately 70,000 thoughts on an average day. Often many wonder why so many give up and quit in life. In this book I will show you how to rise above mediocrity. No more settling for less than God's best and only fantasizing about your heart desires - Its time you Rise Above, Now.

*The Kurds in the Middle East* Mehmet Gurses 2020-06-22 While dramatic changes taking place in the Middle East offer important opportunities to the Kurdish century-long struggle for recognition, serious obstacles seem to keep reemerging every time the Kurds anywhere make progress. The large Kurdish geography, extending from western Iran to near the eastern Mediterranean, and a century of repression and denial have engendered various Kurdish groups with competing and at times conflicting views and goals. *The Kurds in the Middle East: Enduring Problems and New Dynamics*, with an emphasis on continuity and change in the Kurdish

Question, brings together a group of well-known scholars to shed light on this complex issue.

**The Rose and the Sword** Gina Marinello-Sweeney 2017-01-08 Can a rose survive in winter? Rebecca Veritas is eager to pursue her dreams as a clinical psychologist. After receiving a full scholarship for an internship, she leaves the quiet suburban town of Cedar Heights for the big city of Los Angeles. As she adjusts to her new surroundings, she finds solace in a mysterious antique bookstore. Yet, as her thoughts still linger on someone from her past, she is unaware that the present has the potential to haunt her the most. As time passes, a growing sense of unease quickly transitions into more disturbing events that make her question if all is as it seems. When circumstances take an eerie turn, Rebecca will find herself a player on a larger scale than she had ever anticipated, a scale that could cause one to pay the ultimate price. In this riveting sequel to *I Thirst*, the adventures of Rebecca Veritas, the young, introspective dreamer with an inclination toward random insanity, continue.

LIFELINE Catherine McGuire 2017-03-31 It had seemed so simple, even fun, when they explained it: New York needed non-satellite-based relay towers. Commco sent me to find towns along the needed pathway, to offer to restore some of the boons of civilization in return for an agreement to

build, power and guard the towers. After all, it had only been fifty years. I would never have believed that the countryside would have turned barbaric so fast. Thus begins Martin Barrister's journey through an unfamiliar landscape, where his training and skills are of little help, and only quick wits and creativity will allow him to survive. When his job turns out to be a ruse, and he becomes bait in a dispute he can barely fathom, Martin discovers what loyalty is worth. And what civilization is - and isn't - comprised of.

*The Kurdish Question Revisited* Gareth Stansfield 2017-08-15 The Kurds, once marginal in the study of the Middle East and secondary in its international relations, have moved to centre stage in recent years. The contributors to *The Kurdish Question Revisited* offer insights into how this once seemingly intractable, immutable phenomenon is being transformed amid the new political realities of the Middle East.

**Rest Stop** Ron Lemco 2011-10-18 Synopsis *Rest Stop* is a 250 page realistic novel based on real characters I knew while I served my time in prison. It is about the convicts I lived with on a daily basis. The book starts off in prison and gives insight of the living conditions. It tells of the games that are needed in order to survive. It explains the brotherhood that forms between cell mates and the cliques you become part of, not by choice but out of necessity. Following a fight and a stabbing, the four inmates who

are held responsible are being transported from a minimum security location to the main prison when they escape. The escape convicts come up with a plan to take over a rest-area on Interstate 15. It was just a few miles from Las Vegas. They figured that the people going to Vegas would have lots of cash on them. Their plan was to rob them and use the money to get out of the country. It is a long way from Oregon State Penitentiary to Las Vegas. A big part of the story takes place on the trip to get to the rest stop, with robbery, murder and rape along the way. The driving force behind the story is the dialog and vivid thought process, not only from the convicts but from the victims. Each chapter gives insight to the mind set and words of the escaped convicts, along with the Warden, the State Police and the Federal agent who is always just one step behind the inmates. The novel begins with a thrilling, fast paced opening. It holds the excited pace up to an unforgettably tense conclusion. Each chapter ends in a poem I wrote while in prison and coincides with the story. The epilogue leaves room for a sequel for a second book. A Beginner's Guide to America Roya Hakakian 2021 "Into the maelstrom of unprecedented contemporary debates about immigrants in the United States, this perfectly timed book gives us a portrait of what the new immigrant experience in America is really like. Written as a "guide" for the

newly arrived, and providing "practical information and advice," Roya Hakakian, an immigrant herself, reveals what those who settle here love about the country, what they miss about their homes, the cruelty of some Americans, and the unceasing generosity of others. She captures the texture of life in a new place in all its complexity, laying bare both its beauty and its darkness as she discusses race, sex, love, death, consumerism, and what it is like to be from a country that is in America's crosshairs. Her tenderly perceptive and surprisingly humorous account invites us to see ourselves as we appear to others, making it possible for us to rediscover our many American gifts through the perspective of the outsider"--

Maxwell Parker, P.I. Josie Lynn 2014 Twelve-year-old Maxwell Parker is all about what's going on behind quiet exteriors-a trait that comes in handy in her quiet suburban neighborhood where everyone seems to have something to hide. Exhibit A: Mrs. Cook-the nice elderly widow who just moved in across the street-seems like any other cookie-baking grandmother, but Maxwell knows things aren't always what they seem. Even though Kenneth Newman (her best friend since kindergarten) is on board to help investigate their mysterious new neighbor, Maxwell realizes times are changing. They've started junior high, and Maxwell doesn't just feel like a little fish in a big pond; she feels like a Little

Mermaid in a sea of teenage girls. When the clique of popular girls sets its sights on Kenneth, Maxwell decides to take matters into her own hands before the would-be supermodels steal her best friend right under her crime-sniffing nose! Then popular girl Veronica offers Maxwell friendship at a price, and Maxwell must decide if she's willing to pay what it will cost to fit in. If she ends up on the nightly news in the meantime...well, it's all in a day's work!

Choose This Day T. B. Henderson 2017-03-13 As Ruben Wells kneels with a gun pointed at his head all he can do is reflect on the life he spoiled. What has led him here? Was it his willingness to always try to do the right thing that has him staring at the barrel of a gun? Or was that he was too much of a people pleaser having a hard time saying no that has led to him begging for his life? Every thing begins and ends with a choice. The moment a choice is made it only takes a second for a life to change. Ruben made a choice to initiate a relationship with the alluring Bianca Jones. She makes heads turn and every man's dream. She is beautiful as a gazelle, but as dangerous as a lioness, as she's unavailable due to being unhappily married with children. Being married doesn't keep her from wanting to pursue Ruben as well as being pursued by him. Getting involved with Bianca changes Ruben's life in ways he never could have imagined. Choices are a gift constantly given to everyone. The choices made lead to different paths. We all have to choose this day what we're going to do with our own lives not knowing what the end result will be. What kind of impact will Ruben's choices have on his life?

The New Authoritarianism Alan Waring 2018-11-21 This two-volume book considers from a risk perspective the current phenomenon of the new Alt-Right authoritarianism and whether it represents 'real' democracy or an unacceptable hegemony potentially resulting in elected dictatorships and abuses as well as dysfunctional government. Contributing authors represent an eclectic range of disciplines, including cognitive, organizational and political psychology, sociology, history, political science,

international relations, linguistics and discourse analysis, and risk analysis. The Alt-Right threats and risk exposures, whether to democracy, human rights, law and order, social welfare, racial harmony, the economy, national security, the environment, and international relations, are identified and analysed across a number of selected countries. While Vol. 1 focusses on the US, Vol. 2 (ISBN 978-3-8382-1263-0) illuminates the phenomenon in the UK, Austria, France, Germany, Netherlands, Norway, Italy, Hungary, and Russia. Potential strategies to limit the Alt-Right threat are proposed.

**A Beginner's Guide to America** Roya Hakakian 2022 A stirring, witty, and poignant glimpse into the bewildering American immigrant experience from someone who has lived it. Hakakian's "love letter to the nation that took her in is also a timely reminder of what millions of human beings endure when they uproot their lives to become Americans by choice" (The Boston Globe). Into the maelstrom of unprecedented contemporary debates about immigrants in the United States, this perfectly timed book gives us a portrait of what the new immigrant experience in America is really like.

Written as a "guide" for the newly arrived, and providing "practical information and advice," Roya Hakakian, an immigrant herself, reveals what those who settle here love about the country, what they miss about their homes, the cruelty of some Americans, and the unceasing generosity of others. She captures the texture of life in a new place in all its complexity, laying bare both its beauty and its darkness as she discusses race, sex, love, death, consumerism, and what it is like to be from a country that is in America's crosshairs. Her tenderly perceptive and surprisingly humorous account invites us to see ourselves as we appear to others, making it possible for us to rediscover our many American gifts through the perspective of the outsider. In shattering myths and embracing painful contradictions that are unique to this place, *A Beginner's Guide to America* is Hakakian's candid love letter to America.

*Journey from the Land of No* Roya Hakakian 2007-12-18 An emotional,

evocative coming-of-age story about one deeply intelligent and perceptive girl's attempt to find her own voice in prerevolutionary Iran "An immensely moving, extraordinarily eloquent, and passionate memoir."—Harold Bloom  
Roya Hakakian was twelve years old in 1979 when the revolution swept through Tehran. The daughter of an esteemed poet, she grew up in a household that hummed with intellectual life. Family gatherings were punctuated by witty, satirical exchanges and spontaneous recitations of poetry. But the Hakakians were also part of the very small Jewish population in Iran who witnessed the iron fist of the Islamic fundamentalists increasingly tightening its grip. It is with the innocent confusion of youth that Roya describes her discovery of a swastika—"a plus sign gone awry, a dark reptile with four hungry claws"—painted on the wall near her home. As a schoolgirl she watched as friends accused of reading blasphemous books were escorted from class by Islamic Society guards, never to return. Only much later did Roya learn that she was spared a similar fate because her teacher admired her writing. Hakakian relates in the most poignant, and at times painful, ways what life was like for women after the country fell into the hands of Islamic fundamentalists who had declared an insidious war against them, but we see it all through the eyes of a strong, youthful optimist who somehow came up in the world believing that she was different, knowing she was special. A wonderfully

evocative story, *Journey from the Land of No* reveals an Iran most readers have not encountered and re-creates a time and place dominated by religious fanaticism, violence, and fear with an open heart.

**The Sorcerer's Legacy** Brock Deskins 2019-11-05 Azerick has had enough of death and wants nothing more than a home and to train his young apprentice, but death is far from finished with him. An enemy he had hoped to have left behind sets out to destroy him by sending an assassin of uncanny ability and unspeakable evil to avenge the death of his son. A shadow war rages across the kingdom, and it is only a matter of time before Azerick is dragged into it and is forced to put an end to Duke Ulric's schemes once and for all.

*Republics of Myth* Hussein Banai 2022-04-12 Why does the rift between the US and Iran persist? Iran and the United States have been at odds for forty years, locked in a cold war that has run the gamut from harsh rhetoric to hostage-taking, from crippling sanctions to targeted killings. In *Republics of Myth*, Hussein Banai, Malcolm Byrne, and John Tirman argue that a major contributing factor to this tenacious enmity is how each nation views itself. The two nations have differing interests and grievances about each other, but their often-deadly confrontation derives from the very different national narratives that shape their politics, actions, and vision of

their own destiny in the world. The dominant American narrative is the myth of the frontier—that the US can tame it, tame its inhabitants, and nurture democracy as well. Iran, conversely, can claim two dominant myths: the first, an unbroken (but not for lack of trying) lineage back to Cyrus the Great, and the second, the betrayal of Imam Hussein, the Prophet's grandson. Both Iranian myths feature a detestable outsider as an enemy of the Iranian state and source of the nation's ills and misfortune. The two countries have clashed so severely in part, the authors argue, because their national narratives constantly drive them to do so. Drawing on newly declassified documents and discussions with policymakers, the authors analyze an array of missed opportunities over several decades to improve the US-Iran relationship. From the coup d'état that overthrew Iran's legitimate premier Mohammad Mosaddeq to the hostage crisis, the Iran-Iraq War, the 1996 Khobar Towers bombing, post-9/11 antagonisms, and other points of conflict, each episode illustrates anew the weight of historical narratives on present circumstances. Finally, Barack Obama's diplomacy and Donald Trump's determination to undo the 2015 nuclear accord are explored—both examples of the enduring power of America's frontier narrative. Introducing new insights and knowledge in a highly readable narrative, *Republics of Myth* makes a major contribution to understanding this vital conflict.

**The Dream of the Turquoise Bee** Dianne Aigaki 2012-09-01 In 1959, French photojournalist Girard Pelletier dies while reporting on the Chinese invasion of Tibet. Neither his body nor his notes on Chinese human rights abuses are recovered; his colleagues believe he was murdered. Seventeen years later his wife, Erzebet, receives an official invitation from the Chinese Government to join an educational exchange in the same region where Girard disappeared. She accepts the invitation. She believes she will solve the mystery of her husband's death. She will find his murderers. While in Tibet, a romance flares between Erzebet and Norbu, a handsome nomad. Under the guise of needing someone to protect Erzebet, the village has sent him to stay in her tent. The villagers have Girard's missing notes and are trying to determine if she can be trusted to take them back to the West. Meanwhile, Kai Lun, Erzebet's translator, is an unwilling spy. Police are holding his wife and son hostage until he returns to China with the volatile documents. Kai Lun bullies and browbeats Erzebet, the nomads and local monks in his relentless search to surface the papers and ultimately is forced to confront his own shrinking humanity. What appears to be a scholarly quest evolves into a twisting tale of the police, forbidden romance, dangerous adventures, and personal

obsessions played out against the backdrop of the spectacular landscape, exotic people, wildlife and flowers of Tibet.
