Chemistry Of Death The Simon Beckett

Written in *Bone* Simon Beckett 2007-09-25 "I took the skull from its evidence bag and gently set it on the stainless steel table. 'Tell me who you are. . . .'" With this silent plea, forensic expert Dr. David Hunter ignites a harrowing murder investigation on a windswept Scottish island, and a tale of menace, sexuality, and revenge unravels—along with the chilling message that a killer has... Dr. David Hunter should be in London with the woman he loves and a past he can't quite shake off. Instead, as a favor to a beleaguered cop, Hunter travels to a remote island in the Outer Hebrides to inspect a baffling set of remains. A forensic anthropologist, he has seen bodies destroyed by all forms of violence, but even he is surprised at what he finds: human remains burned beyond recognition—all within the confines of an otherwise undamaged, unoccupied cottage. Local police want to rule the death accidental. But Hunter's examination of the victim's charred skull tells him that this woman, no doubt a stranger to the close-knit island of Runa, was murdered by someone nearby. Within days, two more people are dead by fire. Hunter's job is to coax the dead into telling their stories—but now that he's beginning to hear them, he is staggered by the truth. Working with only the barest of clues, he peels back the layers of mysteries past and present, exposing the tangle of secrets at the heart of this strange community—from the deceptions of a wealthy couple to the bitterness of an ex-cop and the secrets of a lonely single mother—as a tale of rage and perversion comes full circle...then explodes in a series of violent acts and shocking twists. The Domsday Medallion Avanti Centrae 2022-03-08 Sixteenth-century French prophet Nostradamus predicted the Great Fire of London, Napoleon's conquest, Hitler's rule, and the atomic bomb. Can the VanOps team keep the old seer's secrets out of blood-stained hands? The next standalone installment of the six-time award-winning and #1 international bestselling VanOps thriller series, is a heart-stopping story of spies, lies, and family ties. Aikido black belt Maddy Marshall is celebrating the completion of her black ops training when news of a military takeover in the South China Sea shocks the world because it was predicted by a sixteen-year-old French student. When intel chatter spells danger to Avril, the young seer, VanOps Director Bowman assigns Marshall and her twin brother, Will Argones, to protect the girl. Emotions between the siblings are running hot due to their aunt's recent stroke, which has reminded them of the childhood accident that scarred both his chin and her heart. Tensions ratchet higher when they arrive at Avril's home to find the instant social media star has been kidnapped, leaving them with only clenched fists and cryptic clues that lead to a formula encoded on an etched-bronze medallion. While Taiwan fears an invasion that will set off an apocalyptic chain of events, Marshall and Argones race through medieval French towns, Italian cathedrals, and ancient Greek temples attempting to find Avril before their enemies use the girl to discover the Holy Grail of military intelligence. If the team fails, they won't need a crystal ball to know millions of innocent souls will be destined to join Nostradamus in the afterlife. The Domsday Medallion is an electrifying, globe-trotting thriller that delves into humankind's timeless fascination with prophecy and illuminates the mesmerizing and dangerous potential of a weaponized oracle.

Smilla's Sense of Snow Peter Hoeg 2010-04-01 Smilla's Sense of Snow presents one of the toughest heroines in modern fiction. Smilla Qaavigaaq Jaspersen is part Eskimo but she lives in Copenhagen and keeps to herself. When her six-year old neighbor is killed, Smilla doesn't believe it was an accident and begins her own investigation of a case that even the police don't want to get involved in.

Stone Bruises Simon Beckett 2014-09-11 The deliciously unnerving and claustrophobically compelling new psychological thriller by the No.1 internationally bestselling author of 'The Chemistry of Death. 'Somebody!' I half-sob and then, more quietly, 'Please.' The words seem absorbed by the afternoon heat, lost amongst the trees. In their aftermath, the silence descends again. I know then that I'm not going anywhere... Seen is on the run. We don't know why and we don't know from whom, but we do know he's abandoned his battered, blood-stained car in the middle of an isolated part of rural France at the height of a sweltering summer. Desperate to avoid the police, he takes to the parched fields and country lanes but his leg is caught in a vicious animal trap. Near unconscious from pain and loss of blood, he is freed and taken in by two women -- daughters of the owner of a rundown local farm with its ramshackle barn, blighted vineyard and the brooding lake. And it's then that Sean's problems really start... This nail-shredder of a thriller -- like the fiction of Nicci French or Gillian Flynn -- holds you from the beginning, tightening its grip as the story unfurls and shocks you with its final twist.

The First Rule Of Survival Paul Mendelson 2014-03-20 Seven years ago in Cape Town three young white South African schoolboys were abducted in broad daylight on three consecutive days. They were never heard of again. Now, a new case for the unpredictable Colonel Vaughn de Vries casts a light on the original enquiry; for him, a personal failure which has haunted him for those seven years and has cost him his marriage and peace of mind. A former British government agent, friend to De Vries, provides intelligence on this new case, but is any of it admissible? Struggling in a mire of departmental and racial rivalry, De Vries seeks the whole truth and unravels a complex history of abuse, deception and murder. Challenging friends, colleagues and enemies, De Vries comes to realise he doesn't know who is which. Set against the background of Cape Town and the endless, rolling South African veld, this chilling thriller reveals layer after layer of abuse - physical, political and psychological. Shortlisted for the Crime Writer's Association Gold Dagger 2014 (Crime Novel of the Year) Praise for Paul Mendelson: "An excellent, uncompromising crime thriller made even better by its setting ... the story is two journeys in one, and I'm glad I took both' Lee Child 'A jaw-droppingly brilliant crime thriller. Imagine The Killing moved to Cape Town and into the landscape of the hot and dusty African veld' Philip Glenister 'The First Rule of Survival is an incredibly atmospheric, complex and dazzling debut from a thrilling and authentic new voice in crime fiction' Brian McGilloway 'An impressive debut' The Times *Where There's Smoke* Simon Beckett 2022-07-05 In this psychological thriller from the author of *The Chemistry of Death*, a woman's journey to motherhood leads her into deadly territory. Successful, single, and fiercely independent, Kate Powell has always taken charge of her own life. But lately she's felt that something is missing. She wants a child—and she's determined to have one on her own terms. Artificial insemination seems like the best option, but Kate doesn't want to go through life not knowing who her child's father is. After putting out an ad to find a suitable father, Kate finds the perfect candidate: Alex Turner seems to be the answer to all of Kate's problems. But she's about to learn that appearances can be deceiving. Soon Kate's life is out of her hands . . . and dangerously out of control . . .

Fine Lines Simon Beckett 1994 A wealthy, slightly sinister London art dealer develops a voyeuristic obsession with his assistant, Anna, and hires an amoral male model to seduce her while he watches from behind a screen—but his impulses lead to nasty surprises—including murder. The Scent of Death Simon Beckett 2019-10-03 It's been a good summer for forensics expert Dr David Hunter. His relationship is going well and he's in demand again as a police consultant. Life is good. Then a call comes from an old associate: a body has been found, and she'd like Hunter to take a look. The empty shell of St Jude's Hospital now stands awaiting demolition, its only visitors society's outcasts, addicts and dealers. A partially mummified corpse has been discovered in the hospital's cavernous loft, but not even Hunter can say how long it's been there. All he knows for sure is that it's the body of a young woman. And that she was pregnant. But the collapse of the loft reveals another of the hospital's secrets. A sealed-off chamber, still with beds inside. Some of them occupied... For Hunter, what began as a straightforward case is about to become a twisted nightmare that threatens everyone around him. And as the investigation springs more surprises, one thing is certain. St Jude's hasn't claimed its last victim . . . With its viscerally authentic forensics, menacing atmosphere and nerve-shredding tension, Simon Beckett's new crime thriller will leave you gasping.

The Chemistry of Death Simon Beckett 2022-06-14 Seeking refuge from a tragic past, a forensic pathologist must search for a devious killer in a rural English village in this crime thriller series debut. Three years ago, Dr. David Hunter left London for rural Norfolk to escape the tragic loss of his wife and daughter. Giving up his career in criminal forensics, he now works as a simple country doctor in the village of Manham. But when the corpse of a woman is found in the woods, a macabre sign from her killer decorating her body, David struggles to remain uninvolved. As a newcomer, David finds he must join the investigation in order to avoid suspicion. When another woman disappears, the case becomes personal. This time, she is someone David knows—someone who has managed to get past the barrier around his heart. With the killer's twisted methods screaming out to him and a brooding countryside beset with fear and distrust, David can feel the darkness gathering around him. As the clock ticks down on the young woman's life, David must follow a macabre trail of clues—all the way to its final, horrifying conclusion. "Brilliantly original. . . Simon's first crime novel *The Chemistry of Death* absolutely blew me away and he just gets better by the book!" —Peter James, UK No. 1 bestselling author

Written in Bone Simon Beckett 2012-07-27 A killer on the loose. A murder disguised as an accident. As a favour to a colleague, Dr David Hunter is on the remote Hebridean island of Runa to inspect a grisly discovery. He's familiar with death in all its guises but is shocked by what he finds: a body, incinerated but for the feet and a single hand. It appears to be a textbook case of spontaneous human combustion. The local police are certain it's an accidental death but to Hunter the scorched remains suggest otherwise. And as the isolated community considers the enormity of Hunter's findings, a catastrophic storm hits the island. The power goes down, communication with the outside world ceases . . . And the killing begins in earnest.

Whispers of the Dead Simon Beckett 2009-05-19 A field of corpses, laid out in a macabre display...A serial killer who confounds even the most seasoned profilers...A doctor whose life has been shattered by crime—plunged into the heart of a shocking investigation... In this masterful new novel by Simon Beckett, #1 internationally bestselling author of *Written in Bone* and *The Chemistry of Death*, forensic anthropologist David Hunter is thrust into his first murder investigation on U.S. soil—and his most devastating case yet. In the heat of a Tennessee summer, Dr. Hunter has come to Knoxville's legendary "Body Farm"—the infamous field laboratory where law enforcement personnel study real corpses—to escape London and the violence that nearly destroyed his life. He's also here to find out if he's still up to the job of sorting through death in all its strange and terrible forms.... Hunter will soon find his answer when he's called to a crime scene in a remote Smoky Mountain cabin—a scene as grisly as it is bizarre. The body is taped to a table. Everything about the crime scene—the wounds, the decomposition, the microscopic evidence—quickly short-circuits the tools and methods of forensic experts. Within days, Hunter knows he's dealing with a serial killer, someone intimately familiar with the intricacies of forensics. All around him, egos and hierarchies clash—from the boasts of a renowned criminal profiler to the dogged work of a young female investigator—but fate keeps pushing Hunter further into the heart of the manhunt. And the killer keeps coming up with surprises: booby-trapping corpses, faking times of death, swapping bodies—finally turning his sights on after Hunter himself... An electrifying race against time, a fascinating journey into the world of forensic science, and a terrifying portrait of a killer in love with death itself, *Whispers of the Dead* is a thriller of the highest order.

Shadow Man Cody McFadyen 2006-06-13 Once, Special Agent Smoky Barrett hunted serial killers for the FBI. She was one of the best—until a madman terrorized her family, killed her husband and daughter, and left her face scarred and her soul brutalized. Turning the tables on the killer, Smoky shot him dead—but her life was shattered forever. Now Smoky dreams about picking up her weapon again. She dreams about placing the cold steel between her lips and pulling the trigger one last time. Because for a woman who's lost everything, what is there left to lose? She's about to find out. In all her years at the Bureau, Smoky has never encountered anyone like him—a new and fascinating kind of monster, a twisted genius who defies profilers' attempts to understand him. And he's issued Smoky a direct challenge, coaxing her back from the brink with the only thing that could convince her to live. The killer videotaped his latest crime—an act of horror that left a child motherless—then sent a message addressed to Agent Smoky Barrett. The message is enough to shock Smoky back to work, back to her FBI team. And that child awakens something in Smoky she thought was gone forever. Suddenly the stakes are raised. The game has changed. For as this deranged monster embarks on an unspeakable spree of perversion and murder, Smoky is coming alive again—and she's about to face her greatest fears as a cop, a woman, a mother . . . and a merciless killer's next victim.

The Restless Dead Simon Beckett 2017-04-06 'Composed of over sixty per cent water itself, a human body isn't naturally buoyant. It will float only for as long as there is air in its lungs, before gradually sinking to the bottom as the air seeps out. If the water is very cold or deep, it will remain there, undergoing a slow, dark dissolution that can take years. But if the water is warm enough for bacteria to feed and multiply, then it will continue to decompose. Gases will build up in the intestines, increasing the body's buoyancy until it floats again. And the dead will literally rise . . . ' Once one of the country's most respected forensics experts, Dr David Hunter is facing an uncertain professional - and personal - future. So when he gets a call from Essex police, he's eager for the chance to assist them. A badly decomposed body has been found in a desolate area of tidal mudflats and saltmarsh called the Backwaters. Under pressure to close the case, the police want Hunter to help with the recovery and identification. It's thought the remains are those of Leo Villiers, the son of a prominent businessman who vanished weeks ago. To complicate matters, it was rumoured that Villiers was having an affair with a local woman. And she too is missing. But Hunter has his doubts about the identity. He knows the condition of the unrecognizable body could hide a multitude of sins. Then more remains are discovered - and these remote wetlands begin to give up their secrets . . . With its eerie, claustrophobic sense of place, viscerally authentic detail and explosive heart-in-mouth moments, *The Restless Dead* offers a masterclass in crime fiction and marks the stunning return of one of the genre's best.

The One-Hour Miracle Andrew Hahn 2022-04-05 A revolutionary healing framework that is a blueprint for transforming most problems, ranging from the most pedestrian to the most treatment resistant. And sometimes, the transformation simply takes one hour. The One-Hour Miracle: A 5-Step Process to Guide Your Self-Healing presents the revolutionary Life-Centered Therapy (LCT), a healing framework that is a blueprint for transforming most problems-- physical (such as chronic pain, asthma, addictions), emtional and mental (including depression, PTSD, OCD, paranoia) relational (releasing destructive patterns), and spiritual (alienation, despair, inertia). And sometimes, the transformation simply takes one hour. Filled with testimonials of real-life people who have benefitted from this approach when other attempts to end their suffering turned up fruitless, it provides people with an entirely new way of understanding their suffering, giving them inspiration and hope that they can create miracles in their lives. The One-Hour Miracle includes a protocol that allows people to facilitate this process on their own by finding the root cause of their suffering and shifting it. This framework helps them live engaged lives of freedom, peace, joy, wisdom, and vitality. In the book, co-authors Andrew Hahn, PsyD, and Joan Beckett, LMHC, will teach readers how to do this work for themselves and others. With step-by-step instructions, readers are led through a five-step process, an integration of mindfulness and body-centered therapy, that guides them through their own self-healing practices and how to do them. In addition, therapists who are reading the book will have enough information to immediately start using the approach with clients without needing more training

The Calling of the Grave Simon Beckett 2011-02-10 'As bone-chillingly bleak as its subject . . . this doesn't disappoint' Financial Times A serial killer is on the loose and David Hunter suddenly finds that the past is far from dead and buried. The escape of a psychotic rapist and multiple murderer brings DI Terry Connor to David Hunter's doorstep, years after their bitter rift. This unwelcome reminder of the past forces Hunter to confront the situation at hand: eight years earlier Hunter and an ill-fated Body Recovery team, has tried to find the graves of Monk's teenage victims on the bleak expanse of Dartmoor. Only one of the missing girls' bodies was ever found. Suddenly Hunter receives an appeal from Sophie Keller, a young woman who also worked on the operation, and nothing is quite as it seems. Hunter is forced to question who he can really trust. Especially when his own life depends on it.

Blood Born Kathryn Fox 2009 For pathologist and forensic physician Dr Anya Crichton, the death of a gang rape victim hours before she is due to give evidence at trial is more than only a tragedy. The psychotic Harbourn brothers, the girl's accused attackers, now look like getting away with two horrific crimes.But the Harbourn's trail of destruction doesn't end there. When two sisters are brutally assaulted and one of them is killed, Anya begins working round the clock to catch the Harbourns and nail their ringleader, the deviously clever Gary. With the help of Detective Kate Farrer and star litigator Dan Brody, she begins to discover just how twisted this family really is, and what they're capable of.In what will become Dr Anya Crichton's hardest case yet, she must piece together the evidence before the killer's attention is turned on her...

Hanging Hill Mo Hayder 2012-02-07 In this "powerful and frightening" British thriller, two estranged sisters confront a crime that exposes the nightmares that lurk at the edges of domesticity (Irish Independent). On a picture-perfect morning in Bath, England, a teenage girl's body is found on the towpath of a canal. Police detective Zoe Benedict is convinced the department head should look beyond the usual domestic motives to solve the brutal murder case. But no one wants to hear any far-fetched ideas from the department's black sheep. Meanwhile, Zoe's sister, Sally, has started working as a housekeeper for a wealthy entrepreneur whose eccentricities are beginning to seem increasingly repugnant, and possibly dangerous. As Zoe digs into the case and Sally's suspicions grow, all signs point to one conclusion: There's something very wrong at the house on Hanging Hill. "A chiller to the very end. Hayder deals with Britain at its grittiest." —Peter Millar, *The Times* (London) "Mo Hayder has crafted a powerful and frightening thriller that grips the reader from page one to the blood-freezing shock of the final page. Utterly compelling." —Irish Independent "[A] superbly plotted tale [with] an end more alarming than anything that comes before." —New York Daily News

The Chemistry of Death Simon Beckett 2006-09-26 Three years ago, David Hunter moved to rural Norfolk to escape his life in London, his gritty work in forensics, and a tragedy that nearly destroyed him. Working as a simple country doctor, seeing his lost wife and daughter only in his dreams, David struggles to remain uninvolved when the corpse of a woman is found in the woods, a macabre sign from her killer decorating her body. In one horrifying instant, the quiet summer countryside that had been David's refuge has turned malevolent—and suddenly there is no place to hide. The village of Manham is tight-knit, far from the beaten path. As a newcomer, Dr. Hunter is immediately a suspect. Once an expert in analyzing human remains, he reluctantly joins the police investigation—and when another woman disappears, it soon becomes personal. Because this time she is someone David knows, someone who has managed to penetrate the icy barrier around his heart. With a killer's bizarre and twisted methods screaming out to him, with a brooding countryside beset with suspicion, David can feel the darkness gathering around him. For as the clock ticks down on a young woman's life, David must follow a macabre trail of clues—all the way to its final, horrifying conclusion.
