Our book servers spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Kindly say, the Home Sweet Hole A Folio Of Feasible Fantasy Floor Plans is universally compatible with any devices to read

The Jungle Book Rudyard Kipling 1920

The Haunting of Hill House Shirley Jackson 2006-11-28 The greatest haunted house story ever written, the inspiration for a 10-part Netflix series directed by Mike Flanagan and starring Michiel Huisman, Carla Gugino, and Timothy Hutton First published in 1959, Shirley Jackson's *The Haunting of Hill House* has been hailed as a perfect work of unnerving terror. It is the story of four seekers who arrive at a notoriously unfriendly pile called Hill House: Dr. Montague, an occult scholar looking for solid evidence of a "haunting"; Theodora, his lighthearted assistant; Eleanor, a friendless, fragile young woman well acquainted with poltergeists; and Luke, the future heir of Hill House. At first, their stay seems destined to be merely a spooky encounter with inexplicable phenomena. But Hill House is gathering its powers—and soon it will choose one of them to make its own. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking

world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Tenth of December George Saunders 2013-01-03 The prize-winning, New York Times bestselling short story collection from the internationally bestselling author of *Lincoln in the Bardo* 'The best book you'll read this year' New York Times 'Dazzlingly surreal stories about a failing America' Sunday Times WINNER OF THE 2014 FOLIO PRIZE AND SHORTLISTED FOR THE NATIONAL BOOK AWARD 2013 George Saunders's most wryly hilarious and disturbing collection yet, *Tenth of December* illuminates human experience and explores figures lost in a labyrinth of troubling preoccupations. A family member recollects a backyard pole dressed for all occasions; Jeff faces horrifying ultimatums and the prospect of Darkenfloxx(TM) in some unusual

drug trials; and Al Roosten hides his own internal monologue behind a winning smile that he hopes will make him popular. With dark visions of the future riffing against ghosts of the past and the ever-settling present, this collection sings with astonishing charm and intensity.

Home Sweet Hole 2013-03-19 "In a hole in the ground there lived a Hobbit..." but Hobbits aren't the only ones with down-to-earth dreams. This folio of "feasible fantasy" floor plans gives you a fun-loving peek inside a dozen earth-bermed dwellings in an imaginary borough of burrows--all drawn to scale as if the builder, himself, were offering an open house tour. Please note: Though the sketches in this little book are drawn to scale, they are intended to be whimsical, NOT intended as construction drawings.

A Midsummer-night's Dream William Shakespeare 1874

The Summer of No Regrets Katherine Grace Bond 2012-05-01 This was the summer that would change my life. No more being what everyone expected. No more doing what everyone else wanted. So when Luke came into my life, I decided to keep him a secret. Maybe he as a dead-ringer for notorious Hollywood bad boy Trent Yves. And it was possible that everything he told me was a lie. And yes, I was probably asking for trouble. But all I saw was Luke—sweet, funny, caring—someone who would let me be the real me. But which was the real him?

Literary Port Folio 1830

The Merchant of Venice William Shakespeare 2003-05-01 The Merchant of Venice has been performed more often than any other comedy by Shakespeare. Molly Mahood pays special attention to the expectations of the play's first audience, and to our modern experience of seeing and hearing the play. In a substantial new addition to the Introduction, Charles Edelman focuses on the play's sexual politics and recent scholarship devoted to the position of Jews in Shakespeare's time. He surveys the international scope and diversity of theatrical interpretations of The Merchant in the 1980s and 1990s and their different ways of tackling the troubling figure of Shylock.

The Philadelphia Album and Ladies' Literary Port Folio 1831

You and Me and Home Sweet Home 2009-10-20 Third-grader Sharonda and her mother help volunteers from their church to build the house that will be their very own.

Speak and Grow Rich Dottie Walters 2002-07-01 The "bible" of the professional speaking industry, including ideas on how to pick strong topics for speeches, guidelines for setting fees, how to book oneself, and more. Sample worksheets and agreements to customize are also included.

Tent Living David Shilling 2019-03-27 Have you ever wondered what it would be like to live in a tiny one-room home? To live off-the-grid, without electricity and without plumbing? To live comfortably in the woods, surrounded by wildlife, where you wake up every morning to the sound of song birds? And to do it all on a tight budget, without having to spend weeks and months

building an elaborate structure. *Tent Living* is a chronicle of one man's life in a 12' x 14' canvas wall tent. For three years, David Shilling lived in a tent in the woods of rural Virginia. This book chronicles his entire three-year experience. You'll find practical tips on all aspects of long-term tent living including downsizing, finding land, staying comfortable throughout the seasons, and living without electricity and plumbing. You'll learn how to build a tent platform and fashion a rain fly that keeps you high and dry. How to install a wood stove that keeps you warm in the winter. And how to set up a comfortable "tent bathroom" with a wash basin, water pot, dump sink, drywell and composting toilet. If you've ever thought about living in a tent, then this book is for you. Or maybe you like the idea of setting up a luxury tent as a guest cottage, or as a backyard getaway, or maybe as an art studio. If so, then this book will show you how to do it quickly and cheaply. *Tent Living* is also a memoir of the author's spiritual journey as he discovers the true meaning of simple living. How he adjusts to the hardships of tent living and eventually finds peace and contentment in the woods. But there are struggles along the way, too. Struggles with neighbors, struggles with county officials, and most importantly, struggles within himself. Living outside the norm can be difficult. But it can also open your eyes to the world around you, and help you find your place in it all.

DIY - How to Make Cheap Air Conditioning Earth Tubes Sharon Buydens 2016-01-04 Earth tubes (earthtubes, or earth-air tubes) are underground tubes that use geothermal energy to cool or heat temper the air for your home. It works like cheap air conditioning because you can build it yourself for several hundred dollars and it is FREE to run (no electricity needed). Being completely passive, this is a sustainable technology based on designs that are 3,000 years old and still used today around the world to cool homes.

The Big Book of Words You Should Know David Olsen 2008-12-17 Do you know what "quatrefoil" and "impolitic" mean? What about

"halcyon" or "narcolepsy"? This book is a handy, easy-to-read reference guide to the proper parlance for any situation. In this book you will find: Words You Absolutely Should Know (covert, exonerate, perimeter); Words You Should Know But Probably Don't (dour, incendiary, scintilla); Words Most People Don't Know (schlimazel, thaumaturgy, epergne); Words You Should Know to Sound Overeducated (ad infinitum, nugatory, garrulity); Words You Probably Shouldn't Know (priapic, damnatory, labia majora); and more. Whether writing an essay, studying for a test, or trying to impress friends, family, and fellow cocktail party guests with their prolixity, you will achieve magniloquence, ebullience, and flights of rhetorical brilliance.

The Sumerians Samuel Noah Kramer 2010-09-17 The Sumerians, the pragmatic and gifted people who preceded the Semites in the land first known as Sumer and later as Babylonia, created what was probably the first high civilization in the history of man, spanning the fifth to the second millenniums B.C. This book is an unparalleled compendium of what is known about them. Professor Kramer communicates his enthusiasm for his subject as he outlines the history of the Sumerian civilization and describes their cities, religion, literature, education, scientific achievements, social structure, and psychology. Finally, he considers the legacy of Sumer to the ancient and modern world. "There are few scholars in the world qualified to write such a book, and certainly Kramer is one of them. . . . One of the most valuable features of this book is the quantity of texts and fragments which are published for the first time in a form available to the general reader. For the layman the book provides a readable and up-to-date introduction to a most fascinating culture. For the specialist it presents a synthesis with which he may not agree but from which he will nonetheless derive stimulation."—*American Journal of Archaeology* "An uncontested authority on the civilization of Sumer, Professor Kramer writes with grace and urbanity."—*Library Journal*

Be a Hobbit, Save the Earth: Steve Bivans 2015-02-16 Do the crises in our world worry you? The pollution, the violence, the corruption, the apathy? Have you ever wished you could escape? Step through a mirror directly into Middle Earth? Steve Bivans, in his book, *Be a Hobbit, Save the Earth*, argues that we are already there. He examines the problems facing mankind and our planet today through the lens of Tolkien's world and the War of the Ring. The similarities are all around you, and the struggle is indeed very real. Middle Earth faced destruction at the hands of Sauron and Saruman; our world is under attack from the metaphorical Two Towers: Ignorance & Fear, and Poverty & Greed. Sarumanic, Corporate Capitalism threatens to control and poison our agriculture, education systems, governments, and our common property—both real and cultural. Worst of all, our sense of humanity and hospitality is being sapped and despoiled. If left to continue unabated, the modern Saurons and Sarumans will devour the basic resources essential to our survival: the water, soil, and the very air we breathe. Our world has lost its 'Shireness.' *Be a Hobbit, Save the Earth* is a guide to bringing our 'Shireness' back, from the bottom up: one Hobbit, one home, and one Shire at a time. Steve Bivans draws positive lessons from Tolkien's works as a metaphorical map, a guide for reconnecting communities, and rebuilding them into sustainable, modern Shires. While our modern challenges seem complicated, nearly impossible, the solutions are really quite simple. The first step on that journey is a change of mind, a transformation from Modern Humans into Modern Hobbits. Only with this new way of thinking can we begin to clean up our scoured Shires: the damage done to our food supply, to our environment, to our communities, and to our political systems. Will that be easy? No, it will not. After all, realizing that the One Ring must be destroyed, was a simple concept, one that even a rustic Hobbit like Frodo Baggins could understand. Carrying it all the way to Mordor to accomplish the mission was another matter, so was cleaning up the Shire when

he and his companions returned home. Such it is for us. The situation for our planet is dire; Mordor is at the door and the Black Riders are burning our Shires. What will YOU do? Will you destroy the Ring? Or will you hang on to your 'precioussss'? Do you have to move 'to the country' and live in a hole in the ground? Absolutely not. Moving isn't necessary. Instead, we need to bring Nature into our minds, and into those spaces we call home. We must change our story. We need to remember that we are PART of Nature, not Nature's masters. We need to return to harmony with Nature and with each other, to become what humans were destined to be, builders of gardens and Shires, as Hobbits, not Masters over creatures great and small. You can be a Hobbit, anywhere. Even in a condo in the middle of a city! So buy the book, read it, tell everyone you know about it, then *Be a Hobbit, and Save the Earth!*

White Space Is Not Your Enemy Kim Golombisky 2017-02-17 *White Space Is Not Your Enemy* is a practical graphic design and layout guide that introduces concepts and practices necessary for producing effective visual communication across a variety of formats—from web to print. Sections on Gestalt theory, color theory, and WET layout are expanded to offer more in-depth content on those topics. This new edition features new covering current trends in web design—Mobile-first, UI/UX design, and web typography—and how they affect a designer's approach to a project. The entire book will receive an update using new examples and images that show a more diverse set of graphics that go beyond print and web and focus on tablet, mobile and advertising designs.

The Financial Crisis Inquiry Report Financial Crisis Inquiry Commission 2011-05-01 *The Financial Crisis Inquiry Report*, published by the U.S. Government and the Financial Crisis Inquiry Commission in early 2011, is the official government report on the United States financial collapse and the review of major financial institutions that bankrupted and failed, or would

have without help from the government. The commission and the report were implemented after Congress passed an act in 2009 to review and prevent fraudulent activity. The report details, among other things, the periods before, during, and after the crisis, what led up to it, and analyses of subprime mortgage lending, credit expansion and banking policies, the collapse of companies like Fannie Mae and Freddie Mac, and the federal bailouts of Lehman and AIG. It also discusses the aftermath of the fallout and our current state. This report should be of interest to anyone concerned about the financial situation in the U.S. and around the world. THE FINANCIAL CRISIS INQUIRY COMMISSION is an independent, bi-partisan, government-appointed panel of 10 people that was created to "examine the causes, domestic and global, of the current financial and economic crisis in the United States." It was established as part of the Fraud Enforcement and Recovery Act of 2009. The commission consisted of private citizens with expertise in economics and finance, banking, housing, market regulation, and consumer protection. They examined and reported on "the collapse of major financial institutions that failed or would have failed if not for exceptional assistance from the government." News Dissector DANNY SCHECHTER is a journalist, blogger and filmmaker. He has been reporting on economic crises since the 1980's when he was with ABC News. His film *In Debt We Trust* warned of the economic meltdown in 2006. He has since written three books on the subject including *Plunder: Investigating Our Economic Calamity* (Cosimo Books, 2008), and *The Crime Of Our Time: Why Wall Street Is Not Too Big to Jail* (Disinfo Books, 2011), a companion to his latest film *Plunder The Crime Of Our Time*. He can be reached online at www.newsdissector.com.

Slowness Milan Kundera 1997-04-11 Milan Kundera's lightest novel, a divertimento, an opera buffa, *Slowness* is also the first of this author's fictional works to have been written in French. Disconcerted and enchanted, the reader follows the narrator of

Slowness through a midsummer's night in which two tales of seduction, separated by more than two hundred years, interweave and oscillate between the sublime and the comic. Underlying this libertine fantasy is a profound meditation on contemporary life: about the secret bond between slowness and memory, about the connection between our era's desire to forget and the way we have given ourselves over to the demon of speed. And about "dancers" possessed by the passion to be seen, for whom life is merely a perpetual show emptied of every intimacy and every joy.

Fern Leaves from Fanny's Portfolio Fanny Fern 1853

In Cold Blood Truman Capote 2013-02-19 Selected by the Modern Library as one of the 100 best nonfiction books of all time From the Modern Library's new set of beautifully repackaged hardcover classics by Truman Capote—also available are *Breakfast at Tiffany's* and *Other Voices, Other Rooms* (in one volume), *Portraits and Observations*, and *The Complete Stories* Truman Capote's masterpiece, *In Cold Blood*, created a sensation when it was first published, serially, in *The New Yorker* in 1965. The intensively researched, atmospheric narrative of the lives of the Clutter family of Holcomb, Kansas, and of the two men, Richard Eugene Hickock and Perry Edward Smith, who brutally killed them on the night of November 15, 1959, is the seminal work of the "new journalism." Perry Smith is one of the great dark characters of American literature, full of contradictory emotions. "I thought he was a very nice gentleman," he says of Herb Clutter. "Soft-spoken. I thought so right up to the moment I cut his throat." Told in chapters that alternate between the Clutter household and the approach of Smith and Hickock in their black Chevrolet, then between the investigation of the case and the killers' flight, Capote's account is so detailed that the reader comes to feel almost like a participant in the events.

Young Mungo Douglas Stuart 2022-04-05 A story of queer love and working-class families, *Young Mungo* is the brilliant second

novel from the Booker Prize-winning author of *Shuggie Bain* Douglas Stuart's first novel *Shuggie Bain*, winner of the 2020 Booker Prize, is one of the most successful literary debuts of the century so far. Published or forthcoming in forty territories, it has sold more than one million copies worldwide. Now Stuart returns with *Young Mungo*, his extraordinary second novel. Both a page-turner and literary tour de force, it is a vivid portrayal of working-class life and a deeply moving and highly suspenseful story of the dangerous first love of two young men. Growing up in a housing estate in Glasgow, Mungo and James are born under different stars—Mungo a Protestant and James a Catholic—and they should be sworn enemies if they're to be seen as men at all. Yet against all odds, they become best friends as they find a sanctuary in the pigeon dovecote that James has built for his prize racing birds. As they fall in love, they dream of finding somewhere they belong, while Mungo works hard to hide his true self from all those around him, especially from his big brother Hamish, a local gang leader with a brutal reputation to uphold. And when several months later Mungo's mother sends him on a fishing trip to a loch in Western Scotland with two strange men whose drunken banter belies murky pasts, he will need to summon all his inner strength and courage to try to get back to a place of safety, a place where he and James might still have a future. Imbuing the everyday world of its characters with rich lyricism and giving full voice to people rarely acknowledged in the literary world, *Young Mungo* is a gripping and revealing story about the bounds of masculinity, the divisions of sectarianism, the violence faced by many queer people, and the dangers of loving someone too much.

Nudge Richard H. Thaler 2009-02-24 Now available: *Nudge: The Final Edition* The original edition of the multimillion-copy New York Times bestseller by the winner of the Nobel Prize in Economics, Richard H. Thaler, and Cass R. Sunstein: a revelatory look at how we make decisions—for fans of Malcolm Gladwell's *Blink*, Charles Duhigg's *The Power of Habit*, James Clear's *Atomic*

Habits, and Daniel Kahneman's *Thinking, Fast and Slow* Named a Best Book of the Year by *The Economist* and the *Financial Times* Every day we make choices—about what to buy or eat, about financial investments or our children's health and education, even about the causes we champion or the planet itself. Unfortunately, we often choose poorly. *Nudge* is about how we make these choices and how we can make better ones. Using dozens of eye-opening examples and drawing on decades of behavioral science research, Nobel Prize winner Richard H. Thaler and Harvard Law School professor Cass R. Sunstein show that no choice is ever presented to us in a neutral way, and that we are all susceptible to biases that can lead us to make bad decisions. But by knowing how people think, we can use sensible “choice architecture” to nudge people toward the best decisions for ourselves, our families, and our society, without restricting our freedom of choice.

King Lear William Shakespeare 2020-11-09 *King Lear* is a tragedy by Shakespeare, written about 1605 or 1606. Shakespeare based it on the legendary King Leir of the Britons, whose story is outlined in Geoffrey of Monmouth's pseudohistorical *History of the Kings of Britain* (written in about 1136). The play tells the tale of the aged King Lear who is passing on the control of his kingdom to his three daughters. He asks each of them to express their love for him, and the first two, Goneril and Regan do so effusively, saying they love him above all things. But his youngest daughter, Cordelia, is compelled to be truthful and says that she must reserve some love for her future husband. Lear, enraged, cuts her off without any inheritance. The secondary plot deals with the machinations of Edmund, the bastard son of the Earl of Gloucester, who manages to convince his father that his legitimate son Edgar is plotting against him. After Lear steps down from power, he finds that his elder daughters have no real respect or love for him, and treat him and his followers as a nuisance. They allow the raging Lear to wander

out into a storm, hoping to be rid of him, and conspire with Edmund to overthrow the Earl of Gloucester. The play is a moving study of the perils of old age and the true meaning of filial love. It ends tragically with the deaths of both Cordelia and Lear—so tragically, in fact, that performances during the Restoration period sometimes substituted a happy ending. In modern times, though, King Lear is performed as written and generally regarded as one of Shakespeare's best plays. This Standard Ebooks edition is based on William George Clark and William Aldis Wright's 1887 Victoria edition, which is taken from the Globe edition. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

The Monthly Rose 1845

Tragedy of Titus Andronicus William Shakespeare 1897

The Little White Horse Elizabeth Goudge 2020-04-17 'The Little White Horse was my favourite childhood book. I absolutely adored it. It had a cracking plot. It was scary and romantic in parts and had a feisty heroine.' - JK Rowling - The Bookseller In 1842, thirteen-year-old orphan Maria Merryweather travels to her family's ancestral home, Moonacre Manor, to live with her uncle Sir Benjamin. She immediately feels right at home with her kind and funny uncle and meets a wonderful set of new friends — but she quickly learns that beneath all this beauty and comfort, a past feud haunts Moonacre Manor and it's her destiny to right the wrongs of her ancestors and restore the peace to Moonacre Valley. A beautifully written fantasy story filled with magic, a Moon Princess, and a mysterious white horse. Little White Horse and the delightful heroine, Maria Merryweather, are sure to be loved by all children.

The 1960s Home Paul Evans 2011-08-20 The 1960s witnessed a sustained period of economic growth, consumer spending and stable employment. This hitherto unknown prosperity enabled a market growth in levels of owner occupation and a subsequent boom in the sale of household furnishings and luxury goods. The

1960s Home looks at the styles and fashions in domestic housing and interiors between 1960 and 1970. Although this period has received increasing attention in recent years, much of it has been concentrated on progressive and exclusive design rather than on the furniture and furnishing of the 'average' home.

Radical Sabbatical Glen Tibaldeo 2013-05-01 Two cubicle convicts. One jungle village. A life without boundaries. In this real-life comedic memoir, Laura Berger and Glen Tibaldeo expose the blessings and ironic struggles of ditching their cut-throat corporate jobs for life in a tranquil jungle paradise. Following the spirit and encouragement of friends met on a desperately needed vacation two years earlier, they leave their Chicago home with eleven suitcases, two laptops, and two cats to land in Pair-o-Dice Village, the scene of their big life gamble. Surprisingly intense life changes immediately prompt a slew of rarely contemplated questions. Could you: Completely change your sources of happiness? Let a boa constrictor loose in your house to get rid of the bats? Drink mystery potions from a shaman? Brave cliff sides when you're deathly afraid of heights? Make friends with your pesky inner voice at all costs? Join a journey of laughter as Laura and Glen pick apart the foibles in all of us. Find yourself rooting for a couple in a life adventure, at the brink of losing everything they have to get everything they've ever wanted. From random wildlife dropping from the sky and battles with vipers to culture clashes and visits with shamans, *Radical Sabbatical* captures the thrills and realities of boldly following a dream in a story any thrill-seeker-armchair or roaming-will love.

Folio 1873

The Popol Vuh Lewis Spence 1908

Memories, Dreams, Reflections C. G. Jung 2011-01-26 An eye-opening biography of one of the most influential psychiatrists of the modern age, drawing from his lectures, conversations, and own writings. In the spring of 1957, when he was eighty-one years old, Carl Gustav Jung undertook the telling of his life story.

Memories, Dreams, Reflections is that book, composed of conversations with his colleague and friend Aniela Jaffé, as well as chapters written in his own hand, and other materials. Jung continued to work on the final stages of the manuscript until shortly before his death on June 6, 1961, making this a uniquely comprehensive reflection on a remarkable life. Fully corrected, this edition also includes Jung's VII Sermones ad Mortuos.

Black Like Me John Howard Griffin 2006-04-01 This American classic has been corrected from the original manuscripts and indexed, featuring historic photographs and an extensive biographical afterword.

Home Sweet Hole, Bonus Edition 2014-11-25 "In a hole in the ground there lived a Hobbit..." but Hobbits aren't the only ones with down-to-earth dreams. This folio of "feasible fantasy" floor plans gives you a fun-loving peek inside a dozen earth-sheltered dwellings in an imaginary borough of burrows--all drawn to scale as if the builder, himself, were offering an open house tour. Now with a bonus design!

The Devil All the Time Donald Ray Pollock 2011-07-12 Now a Netflix film starring Tom Holland and Robert Pattinson A dark and riveting vision of 1960s America that delivers literary excitement in the highest degree. In *The Devil All the Time*, Donald Ray Pollock has written a novel that marries the twisted intensity of Oliver Stone's *Natural Born Killers* with the religious and Gothic overtones of Flannery O'Connor at her most haunting. Set in rural southern Ohio and West Virginia, *The Devil All the Time* follows a cast of compelling and bizarre characters from the end of World War II to the 1960s. There's Willard Russell, tormented veteran of the carnage in the South Pacific, who can't save his beautiful wife, Charlotte, from an agonizing death by cancer no matter how much sacrificial blood he pours on his "prayer log." There's Carl and Sandy Henderson, a husband-and-wife team of serial killers, who troll America's highways searching for suitable models to photograph and exterminate.

There's the spider-handling preacher Roy and his crippled virtuoso-guitar-playing sidekick, Theodore, running from the law. And caught in the middle of all this is Arvin Eugene Russell, Willard and Charlotte's orphaned son, who grows up to be a good but also violent man in his own right. Donald Ray Pollock braids his plotlines into a taut narrative that will leave readers astonished and deeply moved. With his first novel, he proves himself a master storyteller in the grittiest and most uncompromising American grain.

How to Raise a Hero Lynn Dean 2016-02-29 The world needs heroes, and every generation needs a fresh crop of them. What makes a hero, and how do you raise one? Find out how to equip your children to be leaders--to demonstrate courage, goodness, selflessness, and inspire others to discover their own strength. Discover how to raise winners who can change their world.

Halfway to the Sky Kimberly Brubaker Bradley 2008-12-18 From the Newbery Honor and Schneider Award-winning author of *The War that Saved My Life* comes *Halfway to the Sky*, a compelling novel perfect for fans of *Rain Reign*. Twelve-year-old Dani is running away from home, or what's left of home anyway. Her older brother, who had muscular dystrophy, died a few months ago. Then her father left and her parents got divorced. Now home is just Dani and her sad, silent mother, and Dani's got to get away. She plans to do something amazing, and go where her parents will never find her: she's going to hike the whole Appalachian Trail, from Georgia to Maine. The trail is a legend in her family, the place where her parents met, fell in love, and got married 14 years before. Unfortunately for her master plan, her mother doesn't have much trouble figuring out where Dani's gone. Now it's the two of them, hiking for as long as Dani can manage to persuade her mother to keep going. But Dani's got an even longer emotional journey to make—and it's one she and her mom need to make together. "A wise and thoughtful book."-*The Bulletin* "[Readers] will readily relate to the angst and anger and

be intrigued by the details about the Trail itself."-Kirkus Reviews
Let's Not Do That Again Grant Ginder 2022-04-05 "Hilarious, suspenseful, and whip smart." —Cynthia D'Aprix Sweeney Meet the Harrisons! A mother running for Senate, a son running from his problems, and a daughter running straight into trouble... From Grant Ginder, the author of *The People We Hate at the Wedding*, comes a poignant, funny, and slyly beguiling novel which proves that, like democracy, family is a messy and fragile thing —perfect for fans of *Veep*'s biting humor, the family drama of *Succession*, and the joys of Kevin Wilson's *Nothing to See Here*. Nancy Harrison is running for Senate, and she's going to win, goddamnit. Not that that's her slogan, although it could be. She's said all the right things. Passed all the right legislation.

Chapped her lips kissing babies. There's just one problem: her grown children. Greta and Nick Harrison are adrift. Nick is floundering in his attempts to write a musical about the life of Joan Didion (called *Hello to All That!*). And then there's his little sister Greta. Smart, pretty, and completely unmotivated, allowing her life to pass her by like the shoppers at the Apple store where she works. One morning the world wakes up not to Nancy making headlines, but her daughter, Greta. She's in Paris. With extremist protestors. Throwing a bottle of champagne through a beloved bistro's front window. In order to save her campaign, not to mention her daughter, Nancy and Nick must find Greta before it's too late. Smart, funny, and surprisingly tender, *Let's Not Do That Again* shows that family, like politics, can hurt like a mother.
Sense and Sensibility Jane Austen 1864
