Their Sweet Chaos Aparna Gayle 2021-07-07 Welcome to The Fallen Angels, where heaven couldn't control us and hell can't contain us. Some monsters are born into this world, while others are made. Some fall from Heaven, while others rise up from Hell. Me? I wasn't just made, I was created. An angel is what my parents called me, but when I witnessed their murders, brutal and sadistic, that night, I clipped my own wings. A Fallen Angel, that's what I became that night. Five feet one, red hair, round innocent face with baby fat still present in my cheeks, pink pouty lips, I can walk straight up to the enemy and put a bullet in his head before he even knows what's happening. No one who isn't a member of The Fallen Angels knows my real identity, and I always personally take care of anyone who even begins to come close. Who am I now you ask? Well, I'm Sweets. The innocent-looking devil who kills without conscience or regret, all with a smile on my face and a lollipop in my mouth. I'm Sweet Chaos on your best of days, so imagine me on your worst, and there's no man alive who doesn't fear the power I wield. Well, that's what I thought, until I met four. They thought me to be the innocent little flower, until I showed them my thorns. And guess what? They held me anyway. Everyone knows my heart is a block of ice, but what happens when four handsome, dominant, possessive bikers decide that I belong to them, and that I don't have a choice in the matter. Some might call them bad men. They have wicked rides and rap sheets but all Zoe sees is two incredibly hot men and she can't stop herself from falling head over heels.Jax and Hunter they don't see a fat girl - they see a sexy woman they can't wait to have in their arms. But loving them might just get Zoe killed.Motorcycle club hot romance - suitable age range: adultKings of Asphalt is a novella of approximately 41,000 words and the first book in the Club Chrome series.The Club Chrome series by Alexx Andria: Kings of Asphalt All Dogs BiteUp In FlamesExcerpt: "A brunette with curves...I like. It's as if Dimas read my mind."Zoe whirled at the sound of the sultry voice at her back and she found herself staring at the most sinfully handsome man she'd ever seen. Lounging like a giant jungle cat on the worn black leather sofa, Jax Traeger's stare burned two holes into her soul as he regarded her with open interest. Goodness, he was handsome...in a dirty, I-will-likely-break-your-heart-and-ruin-your-credit sort of way. She hadn't expected that. Talk about being blindsided. There'd been precious few pictures of Jax on the Internet. It seemed the bad boy was camera shy, go figure. "I-I'm sorry...I think your guy got the wrong idea..."One black slash of a brow went up in question and he leaned forward, saying, "Which would be?"The idea that I'm...oh, I don't know...um, available for..." Shut up, you idiot! This was what deep cover was all about! Right. Inhaling a discreet, stabilizing breath, she straightened and braved a smile as she sauntered over to Jax, ignoring the flutters in her belly as his gaze darkened with interest. "Available for just anyone.""Oh? Isn't that the whole idea behind being a whore?"A ww-hore? Excuse me? I'm not.""You're not what?" His smile slowly faded. "Then you're not from Dimas and if that's the case...just who are you?"Oh crap. Her damn mouth. "I-I just mean...well, of course, I'm from Dimas. I was just taken aback for a minute. I mean, well, I wasn't sure I was in the right place." Faster than she could react, he had her pressed up against the wood paneling, crowding her personal space and sending her heartrate through the roof. He smelled of leathers, a cool midnight ride, and the faint wisp of alcohol clinging to the edge as if as a reminder that his angelic face and body was simply a ruse to lure unsuspecting women to their doom. It should've repulsed her - truly, bad boys weren't to her tastes - but she was oddly, and dangerously thrilled by the threat of caged violence she saw in his eyes and could see rippling through his biceps as he pressed forward. Was he going to ravage her right there like a modern day pirate or simply punt her outside the doors with a growled warning? Was she crazy for hoping - for a wild, irresponsible moment - that he would choose to grind those sensual lips across hers as punishment for daring to breach their inner sanctum? Yeah, don't answer that. She already knew - it was fucking lunanc
