**Five Year Forward View - NHS England**

Our values haven't changed, but our world has. So the NHS needs to adapt to take advantage of the opportunities that science and technology offer patients, carers and those who serve them. But also needs it to evolve to meet new challenges: we live longer, with complex health issues, sometimes of our own making. One in five adults still smoke.

*U.S. Sanctions on Russia - Congress*

Changes in world oil prices and the Coronavirus Disease 2019 (COVID-19) pandemic appear to have had a greater impact than sanctions on the Russian economy. After oil prices rose in 2016, Russia's economy began to strengthen even as sanctions remained in place and, in some instances, were tightened. The Obama Administration and the EU designed
