Richard Whately 1859 The
following essays contain the
substance of some discourses
not originally designed for the

press, but which I was strongly
urged to publish by several of
the persons to whom the
volume is inscribed. I have
endeavoured to throw the
materials into a form more
suited for private perusal than
that of the discourses originally
delivered. Among the subjects
here treated of are some on
which I have not only reflected
much, but have written and
published from time to time for
above twelve years. And it may
not be impertinent here to
remark, that in respect of some
most important points now
maintained, I may appeal
(besides the arguments
contained in the following
pages) to the strongest of all

external confirmations, the testimony of opponents. Not that I have ever written in a polemical form, or sought to provoke controversy; but by opponents, I mean those who have maintained, and who still maintain, opinions opposite to those I have put forth; but who have never, to the best of my knowledge, even attempted any refutation of the reasons I have adduced. - Preface.

The Biblical repositior (and quarterly observer) [afterw.] The American biblical repository [afterw.] The biblical repository and classical review, conducted by E. Robinson. [With] General index, January 1831–October 1844 Edward Robinson 1842

The Kingdom of Christ Richard Whately 2017-10-15 Excerpt from *The Kingdom of Christ: Delineated in Two Essays on Our Lord's Own Account of His Person and of the Nature of His Kingdom, and on the Constitution, Powers, and Ministry of a Christian Church, as Appointed by Himself* It cannot be alleged that they are not worth noticing: since,

whether intrinsically weak or strong, the reception they have met with from the Public indicates their having had some influence. And again, if any one is averse to entering into controversy, and especially personal controversy (a feeling with which I cordially sympathize,) this would not compel him to leave wholly unnoticed all the arguments that can be urged against his views. It would be absurd to speak as if there were no medium between, on the one hand, engaging in a controversy, and, on the other hand, passing over without any notice at all, every thing that ever has been, or may be, urged on the opposite side.

Nothing is easier, or more common, and, I should add, nothing more advisable, than to notice in general terms the opinions or arguments opposed to one's own. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work.

Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our

edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
